"A Christ Centered-Episcopal Center"

# Exploring our World Through Literacy

Trinity School of Early Learning (TSEL) would like to welcome all campers ages 2 to 10 years on an exciting journey as we explore our world through literacy. TSEL will provide a peaceful environment that allows children to make choices, work together with others, and assume responsibility in a relaxed and fun non-school atmosphere, to create memories and friendships that last a lifetime. We welcome siblings, former students, and friends to join us as we enrich our minds and use our imagination exploring the world around us. Using our newly renovated playground, on-site facilities, and the surrounding community as an extension of TSEL, campers will discover science, nature, creative art, music, and physical development while learning about the life and cultures of the world around them through lessons based on literary works by a selection of prominent authors.

## Trinity School of Early Learning Literacy Enrichment Camp will strive to:

- Create and promote a camp setting that respects the diversity within the community and enhances literacy for all.
- Provide daily experiences, adventures, and activities that build on each child's imagination and interests.

## Young Campers' Themes

Ages: 2, 3-4, 5-7

- June 20 – July 1
  - My Family, My Friends, My World
  - Wet and Wacky Week

This month's focus is on our community and the world around us. We will begin the week with a summer camp kick-off to celebrate literacy and learning. Through literary works, interactive activities, and projects, we will explore families, cultures, friendships, how to care for others, and become great community helpers.

- July 4 – 29
  - Let Freedom Ring!
  - I can do it! Get active!
  - Draw Me A Star: How a Line Becomes a Masterpiece
  - Imagine That!

This month we will create a literary atmosphere using our imagination in creative arts, movement, songs, dance, photography, and scrap booking. Come see what we create!

- August 1 – 26
  - Weird and Wonderful Science
  - Way Up There: The Clouds and Beyond!
  - Reptiles and Creepy Crawlies
  - Lions, Tigers, and Bears, Oh My!

This month we will bring Science and Nature to life as we read about the animals and the world outdoors. We will learn about habitats, engage in mini experiments, and explore natural environments.

## Tweens' Themes

Ages 8-10

June: Techno Tweens: Lights, Camera, Action!  
July: Tweens on the Move!  
August: Where the Wild Tweens Are!

## Camp Highlights:

- Camp Kick-off Celebration
- Special visitors, walking field trips
- Literacy Day for Eric Carle's Birthday
- Weekly Water Play
- Cooking Activities
- Father's Day Fruit Sundae Social
- TSEL Picnics
- Weekly Gymnastics
- Squeals On Wheels
- Reptiles Alive

## Our Mission Statement:

We are committed to providing quality care for children, enhancing their love for books and reading, fostering every child's creative abilities, and creating a climate of peace.

We strive to:

- Nurture each child's unique qualities and potential
- Support families with positive resources
- Collaborate with employers to build family-friendly workplaces
- Create a work environment that encourages professionalism, growth, and diversity
- Grow in a multi-cultural Christian organization
